Sky Lazaro Cell

Hey Greg. I just talked with my investigator yesterday. One of the girls has changed her statement and is essentially saying she does not think that [REDACTED] was raped and that she made it and [REDACTED] begged her to lie.

I will get you the full report when I get it. She is working on scheduling an interview with the other girl before she talks to [REDACTED].

1:17 PM

So that is good for us! I will let you know how the others go

1:17 PM

Awesome!

I know! This is great

1:18 PM

It took awhile to track her down she lives in Colorado now

1:19 PM

That's great news thank you
